

HAPPY HANDS METHODIST PRESCHOOL

Add-On Programs 2022-2023

We are happy to offer add-on programs to children enrolled in our Young 3s, 3-year old, and 4-year old classes. These classes provide a more in-depth study of specific academic fields, encourage creativity, or provide additional movement and social interaction. Space is limited.

4-Year Old Enrichment

Lead Teacher: Mrs. K (Kocielko)

Class Time: M,&/or W,&/or F 11:30am-2:30pm (September thru mid-May)

Monthly Cost: \$80 for one day, \$145 for two days, \$195 for three days* (\$25 reg. fee)

Description: The Pre-K enrichment program includes math, science, pre-reading, cooking, and holiday art projects. Some examples are Build-a-Skeleton, Family Tree Fun, Baking Apple Muffins, Making Play Dough, Discovering Money, Magnet Madness, Rhyming Words, Sensory Sensations, and much more. The activities will correlate with the various school themes throughout the year. Snack will be provided by the school but children are asked to bring a lunch. (See handout for details)

Sign-up: Registration for the year begins can occur any time prior to the start of school and will be added to monthly tuition. Space is limited.

3-Year Old Enrichment for am 3s

Lead Teacher: Mrs. Kennedy

Class Time: T and/or Th 11:30am-1:00pm (October thru mid-May)

Cost: \$12 per class

Description: The 3s Enrichment program provides a great variety of worthwhile experiences. It may include food preparation, crafts, dramatic play, science experiments, pre-reading, and math activities. The activities will correlate with the various school themes throughout the year. A snack will be provided by the school

Sign-up: Registration for the year begins in September and will be added to monthly tuition. Space is limited.

"Movers and Shakers" for Young 3s and 3s

Lead Teacher: Mrs. K (Kocielko)

Class Time: T and/or Th 11:30am-12:00pm (October thru mid-May)

Cost: \$6 per class

Description: Preschool children are still mastering their wonderful bodies and improve most of these skills during the preschool years. Physical activity not only helps children develop motor skills, but will also help them increase their confidence, relieve stress, and encourage a healthy lifestyle. Classes include a combination of stretching, moving, playing games, using their imaginations, and relaxing. Have your children come "Move and Shake" with us!

Sign-up: Registration for the year begins in September and will be added to monthly tuition. Space is limited.
